

Dr. Peter Victor, author of *Managing without Growth. Slower by Design, not Disaster*, is a professor in environmental studies at York University. He has worked for nearly 40 years in Canada and abroad on economy and environment as an academic, consultant and public servant. Dr. Victor was the founding president of the Canadian Society of Ecological Economics and a past-president of the Royal Canadian Institute for the Advancement of Science. Currently he is a member of the Board of the David Suzuki Foundation and several advisory boards in the public and private sectors.
